6 Star Award Winning Sustainable Living

Live in a township that offers space and freedom, where you're surrounded by indigenous flora and wildlife and bordered by Grey Box Forest.

This well designed 4 bedroom (king size master with ensuite and dual built in robes), 2 bathroom, 2 garage property is a must inspect when you want to start ticking boxes.

A sun filled secondary lounge room is located at the front of the home and the designer has also ensured ample storage and cupboard spaces throughout the entire house. The centrally located kitchen and family room with its 900cm stainless steel appliances is perfectly located to entertain your dining guests indoors or out throughout any time of the year. Further attributes benefiting the occupant are ducted heating and cooling, low maintenance gardens and concrete pathways surrounding the property. Other features of the township include; parks and community playgrounds, speedy broadband connectivity,
